

ATLANTA GOSPEL PRODUCTIONS

PRAISE AND WORSHIP WORKSHOPS

The primary objective for Praise and Worship Workshops offered by ATLANTA GOSPEL PRODUCTIONS is to explore and convey a Biblical understanding of music ministry principles, the purpose for worship, and excellence in God's kingdom building process. The workshops range from single-day seminars to week-long conferences culminating in worship and praise concerts.

We believe that it is extremely important for all song leaders, choir members, directors, and musicians to understand their individual roles and collective responsibilities as worship leaders. Therefore, these times of workshop are intended to have a focus of reflection, application, and direction regarding God's will and purpose for His music ministry.

To accomplish this mission, we conduct lectures and open discussions for the participants regarding choir business, leadership, and responsibility from a Biblical perspective during each workshop. Depending on particular ministry needs and desires, a full range of topics and activities can be included to inspire and encourage greater personal commitment to God's kingdom building process.

Several past topics (as requested by ministry leaders and directed by the Holy Spirit) include:

- The Absolute Need For The Anointing
- The Real Purpose of Worship
- Worship Is A Verb
- Misplaced Priorities
- Choir Decorum - What God Expects
- Discipline Means One Hundred Percent

Further, as time permits, vocal technique and training will be included as songs are presented during the longer workshop sessions. And, songs are selected that will prayerfully be encouraging as well as meaningful to the participants and the listeners.

Workshop materials include itineraries, song lyrics, and notepads for any notations individuals may want to make for themselves during discussion time. As well, music score, lead sheets, and tapes/CDs of the workshop songs will be provided for the musicians and soloists in advance. All workshop attendees are encouraged to bring their own Bible to each session.

In the past, many original compositions have been professionally recorded in studios and during workshop concerts. If you are contemplating a recording project, that possibility can be considered as an extension of this endeavor.

ADDITIONAL NOTES -- WAYS TO WORSHIP

The Lord's Prayer opens and closes with praise, yet so many people are ignorant of how to praise God. Praise is commanded all throughout Bible, yet it seems that it only takes place in corporate church service.

Praise should be incorporated in the prayer time of believers, but even more it should become a lifestyle for the believer. The Bible states that the unrighteous refuse to offer praise to God (Romans 1:21, Revelation 16:9), but God's people always have been and always will be a people of praise (Ps 30:4, Ps 149:5).

The Word of God reveals numerous ways to express our love, gratitude, and worship to the King. Throughout out scripture it mentions that we are to praise God with our MOUTHS, through our BODILY MOVEMENTS, and through the playing and singing of MUSIC.

There are some Hebrew Words in the Old Testament which illustrate these ways of praise.

1. Praise with the mouth (Ps 51:15, Ps 63:5)
 - *Hallel* - to be vigorously excited; to boast, rave, to celebrate
 - *Barak* - to bless, to declare God the origin of power for success and prosperity (praise is quiet and hushed)
 - *Shabach* - to commend address in aloud tone, to shout.
2. Praise through body movements (Ps 134:2, Psalms 107)
 - *Todah* - to extend the hands in thanksgiving.
 - *Yadah* - to worship with extended hands - to throw out the hands, enjoying God
3. Praise through music (Ps 150, I Chron 16:41,42)
 - *Zamar* - to pluck the strings of an instrument, to praise with song
 - *Tehillah* - to sing in the spirit or the singing of hymns or psalms

During your time of Prayer, you must not be afraid to yield to the Holy Spirit, and let Him show you how to praise God and when to praise God. Let your heart go out to God in praise and thanksgiving, magnifying and thanking him for all his benefits; especially the benefits of prayer.
